

[FAQ]

Why does an “Entry Point Not Found” message appear in GV-Dispatch Server?

Article ID: GV02-14-04-07-m

Release Date: 04/07/2014

Applied to

GV-Dispatch Server V8.5.9 or later

Question

Why does an “Entry Point Not Found” message appear in GV-Dispatch Server?

Answer

An “Entry Point Not Found” message appears since GV-Dispatch Server V8.5.9 or later no longer supports Windows XP. To solve this message issue, use Windows Vista or later version of Windows.
