

## [FAQ]

### What is the latency on GV-SDI Repeater?

Release Date: 8/3/2015

#### Applied to

GV-SDI Repeater

#### Question

1. What are the maximum numbers of GV-SDI Repeater can we daisy chain?
2. What would be or is there any latency at each repeater?

#### Answer

1. There is no limitation to the number of GV-SDI repeater you can link together.
2. There is no latency at each GV-SDI Repeater
