

## [FAQ]

### How many videos can I store in cloud storage?

### How long will the videos be kept?

**Release Date: 7/22/2015**

#### Applied to

GV-Cloud Series

#### Question

How many videos can I store in cloud storage? How long will the videos be kept?

#### Answer

Storing videos in cloud storage is not limited by volume capacity, but the videos will be deleted after the number of "keep days" specified in the purchase plan. Cloud license can be purchased for each camera to store videos for 7, 15, or 30 days.
