
[FAQ]

Why is SNVR 16ch unable to connect to a monitor with 720p resolution?

Release Date: 7/09/2015

Applied to:

SNVR 4ch/16ch

Question:

Why is SNVR 16ch unable to connect to a monitor with 720p resolution?

Answer:

SNVR 4ch supports monitor with resolution 720p, 1080p and 1080i.

On the other hand, SNVR 16ch only support 1080p.
