

## [FAQ]

# Fan noise comparison for GV-SNVR1600 and GV-SNVR0400?

Release Date: 8/12/2015

### Applied to

-GV-SNVR04

-GV-SNVR16

### Question

Do you have fan noise comparison for GV-SNVR1600 and GV-SNVR0400?

### Answer

Fan noise comparison for GV-SNVR1600 and GV-SNVR0400

-GV-SNVR0400F : 21 dB(A)

-GV-SNVR1600 : 33 dB(A)

Note.

a. The testing is not inside the SNVR case, this fan is testing in a clean environment without other interference for example hard drive is not included.

b. There are 3 fans in GV-SNVR1600, but there is only one fan for GV-SNVR0400
