

## [FAQ]

### Does ERM Mac Version support GV-NVR/DVR?

Release Date: 8/3/2015

#### Applied to:

GV-NVR/DVR

#### Question:

Does ERM Mac Version support GV-NVR/DVR?

#### Answer:

ERM Mac v1.0 currently doesn't support GV-NVR/DVR.

However, it will support GV-NVR/DVR in the next version release. (v1.1)

ERM Mac v1.1 is expected to be released by the end of this year.
