

[FAQ]

Is GV-ERM able to record in local PC?

Release Date: 1/29/2015

Applied to

GV-ERM v1.0

Question

GV-ERM can record video file in local PC?

Answer

No, GV-ERM can not record file in local PC. Alternately, MultiView is able to do this. GV-ERM can start monitoring from remote side and able to playback from SD card / NAS. It also can display 32 channels.
