

[FAQ]

I got my GV-IP Camera live view displaying pink in camera web interface. What's that supposed to mean?

Release Date: 06/04/2016

Applied to:

GV-IP Cameras

Question:

I got my GV-IP Cameras live view displaying pink in camera web interface. What's that supposed to mean?

Answer:

There is a high possibility that it is a hardware issue. We would suggest our customers to follow the RMA procedure to return the device.
