

[Specification Change Notice]

GV-ASManager Changes:

End of Support for Windows XP and Vista

Article ID: GV4-16-09-23-al

Release Date: 10/12/2016

Applied to

GV-ASManager V4.4.2.0

Description of Changes

Starting from version 4.4.2.0, GV-ASManager will be ending support for Windows XP and Windows Vista, since these operating systems are no longer actively supported by Microsoft. You can use GV-ASManager V4.4.2.0 once you move to the following versions of Windows:

Operating System	32-Bit	Windows 7 / 8 / 8.1 / 10 / Server 2008
	64-Bit	Windows 7 / 8 / 8.1 / 10 / Server 2008 R2 / Server 2012 R2
