[Specification Change Notice]

GV-Backup Center Changes:

End of Support for Windows XP and Vista

Article ID: GV2-16-11-21-c

Release Date: 12/28/2016

Applied to

GV-Backup Center V1.2.0.0

Description of Changes

Starting from version 1.2.0.0, GV-Backup Center will be ending support for Windows XP and Windows Vista, since these operating systems are no longer actively supported by Microsoft. You can use GV-Backup Center V1.2.0.0 once you move to the following versions of Windows:

Operating System	32-Bit	Windows 7 / 8 / 8.1 / 10 / Server 2008
	64-Bit	Windows 7 / 8 / 8.1 / 10 / Server 2008 R2 / Server 2012 R2
